Your name:

Address or contact information:

Email address:

Department:

University:

Degree you are currently pursuing:

Workshop you wish to attend (Summer or Fall 2021 workshop):

Personal Statement of Interest

Please submit a 1/2 page single-spaced **personal statement** that describes pertinent personal experiences and goals that would make you an appropriate candidate for this award. Be sure to address:

- a. Why you want to come to the workshop
- b. Your background in quantitative research
- c. Your background in qualitative research
- d. Your background in and additional needs for mixed methods research
- e. Your financial need for the scholarship
- f. How you intend to promote mixed methods research in your own field and/or home institution upon completion of the workshop

Research Project Statement

Please submit a 1/2 page single-spaced **research project statement** that includes:

- a. A draft title for your research project
- b. The problem being addressed in your project
- c. The types of quantitative and qualitative data that you will collect

- d. The purpose of your study (for example, a dissertation project, a university project, etc.)

Additional Information Needed

Please submit:

- a. a **letter of recommendation** from your supervisor outlining how you would benefit from attending the workshop
- b. a **letter/certificate** indicating proof of student status from your university.

Please submit your application materials by email to Project Manager, Satoko Motohara at smotohar@umich.edu
