

***Application deadline is
11:59 PM Eastern Time, January 25, 2023
for ALL workshops in 2023***

Application Form
University of Michigan Mixed Methods Program
U.S.-based Student Workshop Scholarship Awards

This award covers the registration fees for doctoral students enrolled in a U.S.-based doctoral program to attend one of the University of Michigan Mixed Methods Program workshops.

Please submit your application here: [Application Form](#)

1. Personal Information

Please provide the following information:

- a) Name
- b) Address or contact information
- c) Email address
- d) School or University affiliation
- e) Current Degree Objective or Faculty Status
- f) Workshop(s) you wish to attend
 - i) Spring 2023: Intersecting a Qualitative Design with Mixed Methods Research: A Special Topics Workshop (Online, March 8-10, 2023)
 - ii) Summer 2023: Designing and Conducting a Mixed Methods Dissertation or Thesis (Online, June 14-16, 2023)
 - iii) Fall 2023: Designing and Conducting a Mixed Methods Research Project (Online, November 8-10, 2023)

2. Personal Statement of Interest

Please submit a **personal statement** that describes pertinent personal experiences and goals that would make you an appropriate candidate for this award (WORD LIMIT: 250). Be sure to address:

- a. Why you want to participate in the program
- b. Your background in quantitative research
- c. Your background in qualitative research
- d. Your background in and additional needs for training in mixed methods research

- e. Your financial need for this scholarship
- f. How you intend to promote mixed methods research in your own field and/or home institution upon completion of the workshop

3. Research Project Statement

Please submit a **research project statement** that includes (WORD LIMIT: 250):

- a. A draft title for your research project
- b. The problem being addressed in your project
- c. The types of quantitative and qualitative data that you will collect
- d. The purpose of your study (for example, a dissertation project, a university project, etc.)

4. Additional Information Needed

Please submit:

- a. a **letter of recommendation** from your supervisor outlining how you would benefit from attending the workshop
- b. a **letter/certificate** indicating proof of student or faculty status from your university or place of work.

BOTH the letter of recommendation and the letter/certificate should be written in English and uploaded as a PDF
